Twitter 2.0

IS BIGGER AND BETTER

With the creation of the Thrds app, many have speculated about it being a threat to Twitter. This is laughable.**

They say imitation is the sincerest form of flattery and Threads has imitated Twitter, albeit very poorly. Twitter 2.0 is here to end all imitation and speculation and establish as the ONLY thread-based social platform.

You can say more, see more and be heard and understood globally. This is the aim of Twitter 2.0

Twitter 2.0 is solely focused on making the twitter space exclusive, with more personalized threads, room for longer video uploads, longer tweets, and more artificial intelligence inculcated into the UI. Twitter 2.0 is focused on versatility and rapid improvement, as a result of this, Twitter 2.0 will be tied with the crypto market, particularly NFTs. Users will be able to buy exclusive NFTs using our native token (TWTR). In addition to this, users will be able to buy features like verified tags using TWTR. Twitter 2.0 is a direct response to the Threads app which is headed by Elon's biggest rival (Count zuck). As such, Twitter 2.0 is aimed at crushing the competition and making twitter better than ever.

ABOUT TWITTER 2.0

TWITTER HAS ALWAYS HELD IT'S OWN AGAINST A SEA OF ORDINARY APPS THAT COMPARE POORLY. THERE HAVE ALWAYS BEEN ATTEMPTS TO OUST THE MICROBLOGGING GIANT, THE LATEST OF WHICH WAS THR^{✱✱}DS, SUCKERBERG'S EFFORT TO IMITATE TWITTER'S EXCELLENCE. A FEW HAVE WONDERED WHAT TWITTER'S RESPONSE WOULD BE... INTRODUCING TWITTER 2.0, THE VASTLY IMPROVED VERSION OF THE 30 BILLION DOLLAR NETWORKING PLATFORM, BOASTING MANY MORE FEATURES AND AN EVEN BETTER USER EXPERIENCE. TWITTER 2.0 WILL BE THE FIRST TO SUCCESSFULLY CONNECT THE ENTIRE PLANET ON ONE STATE-OF-THE-ART PLATFORM.

TOUTED AS THE TRUE 'EVERYTHING APP',
TWITTER 2.0 ENABLES IT'S USERS TO
SEAMLESSLY EXCHANGE NEWS, IDEAS, OPINION
AND FINANCE. OUR COMPETITION IS HANGING ON
BY A 'THREAD'. DON'T OPT FOR AN ALTERNATIVE

SOONER THAN THE BIGGEST NEWS CHANNELS.

IN THE WORLD AND AROUND YOU MUCH FASTER
AND WITH PRECISE ACCURACY. YOU CAN SAY
GOODBYE TO FALSE THREADS THAT CONTAIN NO
REAL INFORMATION.
